Weekly Schedule

This schedule is subject to changes! See the public course page: `uaf-math.github.io/calc2/`

Note that you must schedule a proctor for the **Midterm Exams**. Please check out the days for *vacations*, **deadlines**, and the **Final Exam**. The start days for textbook sections during lecture are in **black**. *Homework* for each section is found on the Homework tab of the public webpage. **Check-in x** notices indicate weekly check-ins. It is due at 11:59pm on the date given. Turn it in by Gradescope upload, accessed from the Canvas page for your section.
