

Math F113X: Homework Set 1

- Answer the following problems from the Voting Theory section (p.53):
1, 3abc, 6abc, 8, 10, 17, 20

Remember to write up your homework solutions according to the homework writeup guidelines.

After completing each problem, you should check your work and your answers against the solutions provided in Canvas!

Confirm your work is correct or fix your errors before you submit it.

Homework must be submitted on Gradescope.

Homework is graded using the following rubric for each problem (or problem part):

2 points: You provided a complete answer, with supporting work, written up clearly

1 point: Some attempt at a solution, but incomplete writeup / unclear / illegible / no answer

1 point: Only an answer, with no supporting work

0 points: Missing.
